

# Little Puggles Song

## Activity Pack

# Clay Creatures

You will need:

- Air-dry clay (white and terracotta)
- Twigs
- Paint
- Fine paintbrush

## Echidna Facts!

Echidnas are monotremes, an egg-laying mammal. The only other monotreme is the platypus.

# Leafy Puggles

You will need:

- Leaves
- Black marker
- Paint (brown and white)
- White paper
- Glue

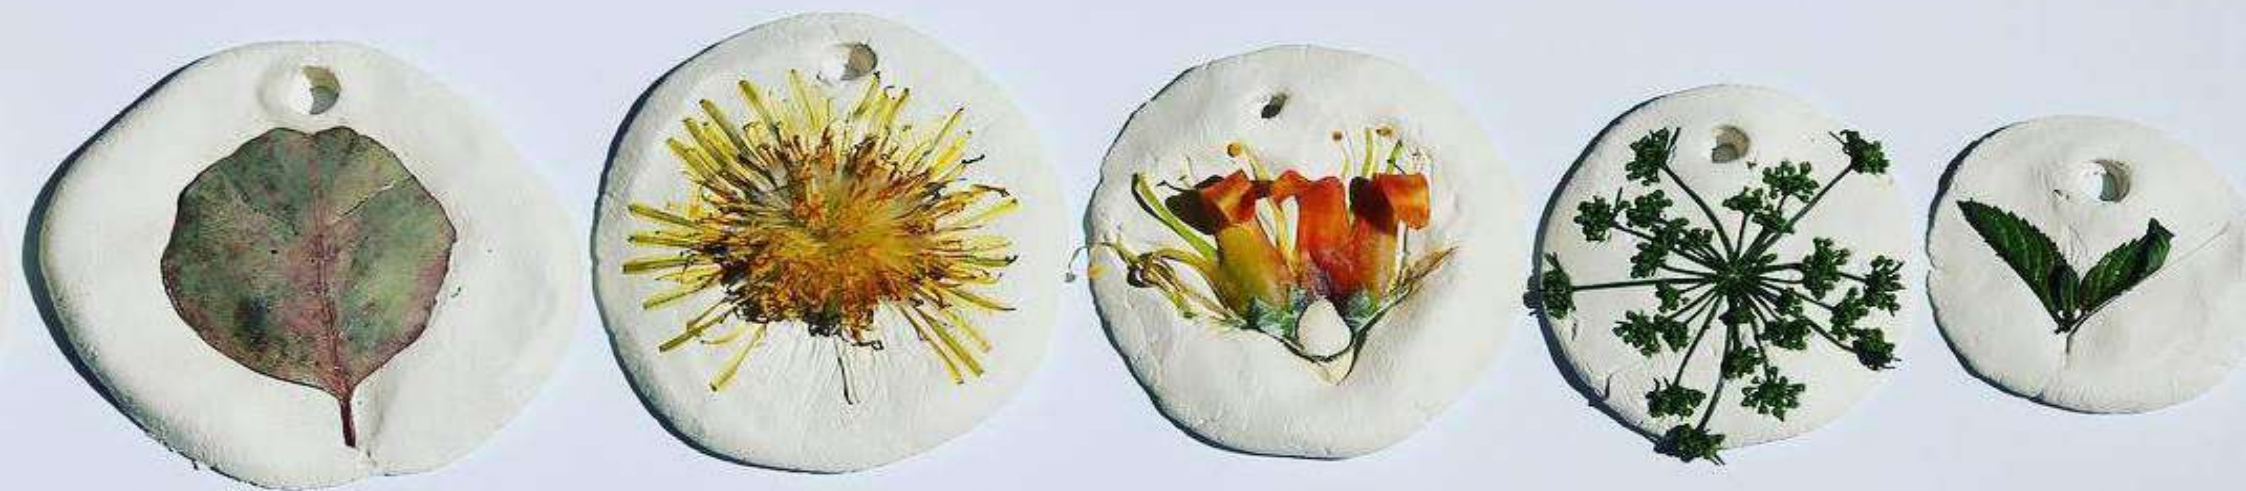

## Echidna Facts!

Echidnas are solitary but not territorial. They are willing to share their territory with other echidnas.

# Colour in the Bush Choir

## Nature Pendants

You will need:

- Air-dry clay
- Flowers, leaves and pods
- Stick (to make hole)

# Coffee Filter Flowers

You will need:

- Coffee filters
- Thick felt pens
- A squirt bottle filled with water
- Green or brown pipe cleaners

Instructions:

Draw concentric circles on filter.

Spray filter three times in centre.

Leave until colours run together.

Leave to dry.

Cut 3 inches off pipe cleaner, set aside.

Push the end of remaining pipe cleaner through centre of filter.

Push until about an inch is sticking out of flower. Roll this inch into a ball.

Wrap remaining three inches of pipe cleaner around base of filter.
